"SECRET MISSION" is being planned by the Crown Players of Valley College, who present "Home of the Brave," April 17-21. Standing, from left to right, are Stan Fishman, Coney; Bob Sampson, Finch; Dick Reynolds, Mingo; Tommy Leetch, T. J. In the foreground is Barry Snider, Major.

Ticket Sales Point To Sellout House For 'Home of Brave'

"Advanced ticket sales indicate that the Valley College Crown Players' presentation of "Home of the Brave" will be a sellout," said Charleen Plotner, student chairman of tickets. "It is for that reason that the play will be given one night and possibly two more," she added.

Tickets are now on sale at the Student Store for the 18th through 21st and Monday, the 23rd, performances. Admission is $1.00 per person.

"Home of the Brave" is a war play which centers about the racial prejudice as felt by a Jew. The motion picture adaptation of the play featured a Negro; so those who saw the picture will find something new in the play.

The play will be performed in the "Little Theater" on the Valley campus. Central staging which has been used in all former Valley presentations will again be used. The unique aspect of "Home of the Brave" will be the reseating of the audience outside between the first and second acts. The second act, which takes place on a Jap controlled island in the South Pacific, will be presented outside the "Little Theater." The audience will be moved back inside for the third act.

The cast includes: Dick Reynolds, who plays the bitter yet gentle Sergeant Mingo; Tommy Leetch portrays the confused, maladjusted Corporal T. J. Everitt; Bob Sampson plays Finch the gentle, likable hayseed from Arizona; Bill Tunnell portrays the understanding Army psychiatrist, Doctor Harold Bitterger; Barry Snider takes the part of the young, capable Major Robinson; and the Jewish boy, Private Peter Coen, will be played by Stan Fishman.

Attending the meetings were the following Associated Students representatives: President Dick Yamashita, Vice President Fred De Luca, Secretary Kathy Moore, Commissioner of Activities Joan Brask and Commissioner of Publicity Dellaine Hazen. Also attending were: Mike Seeger, past president of Valley College and one of the founders of the ILMC; and Miss Frances Cochanides, faculty advisor.

SPANISH CLUB GIVES MUSIC, SPEECH HOUR

"Our Pan American Neighbors" was the theme of the Faculty Hour program presented by the Spanish Club last Tuesday.

Highlight of the assembly was Richard Adams' talk on the significance of Pan American Day to the American countries. Jeanie Aviado and Guy Bensusan entertained with a typical Latin American Jarabe Tapatic (the hat dance). Kathryn Lennerd played the accordion and Bensusan and David O'Brien strummed guitars.

Nancy Ohms sang "Estrellita" and "Amapola" in Spanish, and for an encore, "Blue Moon" in English.

The Aviado twins, Jeanie and Jo, danced to the well known Mexican number, "Chipanecas." Brad Browne read a poem, "The New World," which presented some thoughts for greatness of achievement in the Western Hemisphere, with emphasis on progress.

Jim Hamra, Spanish Club president, closed the assembly saying, "The Pan American Union has accomplished cooperation among its members; it would be well if this feeling for cooperation could spread to Europe and Asia as well."

AWS Shows Style Review For Summer

First AWS activity to be held on the new campus will be the second annual fashion show next Thursday, April 19, at 2:30 p. m. Theme of the show, sponsored by Rathbun's Miss America Shop, centers around Valley College spring activities.

An afternoon of entertainment has been planned by Shirley Wertz, president of the Associated Women Students, and her cabinet. This program includes fashion, music, refreshments and door prizes.

The program will begin with introductions and greetings from Miss Wertz. She will introduce Rathbuns' commentator, who will introduce the campus scenes depicting college activities.

Featured in the scenes will be dancers, Ed Scharff and Rae Vackar, who will provide atmosphere for the spring formal scene. Kathryn Lennerd, David O'Brien and Guy Bensusan will entertain during the campus activities scene; and Don Ingle, Pat Murtagh and Paul Trietsch (a group of uke-playing beach boys) will provide a background for the Delta picnic at Zuma beach. The climax of the show will be the wedding ensemble, featuring Janet Cavener and David Anderson, who will render a vocal duet, "Song of Love."

Miss Helen Mindlin, sponsor, urges all girls to come to the show and to invite their mothers. Miss Wertz, president, added, "The AWS plans to present everyone attending a souvenir favor as a remembrance of the show."

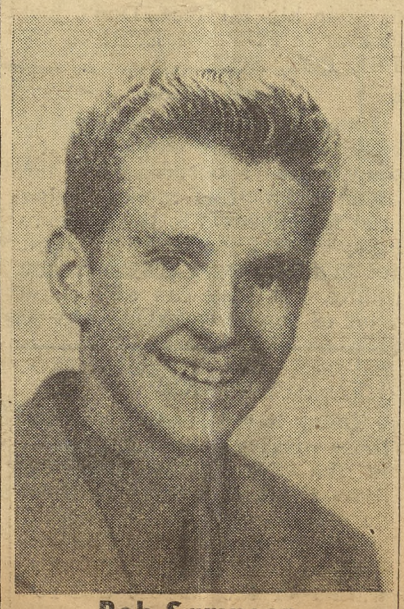
Sampson, Tunnell Portray Soldiers In 'Home of Brave' Prejudice Play



Bob Sampson

Bob Sampson, who plays Finch, the gentle, likable hayseed from Arizona, in the Valley College Crown Players' presentation of "Home of the Brave," was graduated from Canoga Park High School in winter, '51. While at Canoga Park, he appeared as Leo in "Our Hearts Were Young and Gay," and Peter in "Kind Lady." Sampson is a member of the Crown Players. This is his first performance at Valley.

Bill Tunnell portrays the Army psychiatrist, Dr. Harold Bitterger, who is understanding, yet bitter at the world. Tunnell was graduated from North Hollywood in '45. He spent three years in the U. S. Air Force, where he did a number of special service shows. This, however, is his first attempt at drama.

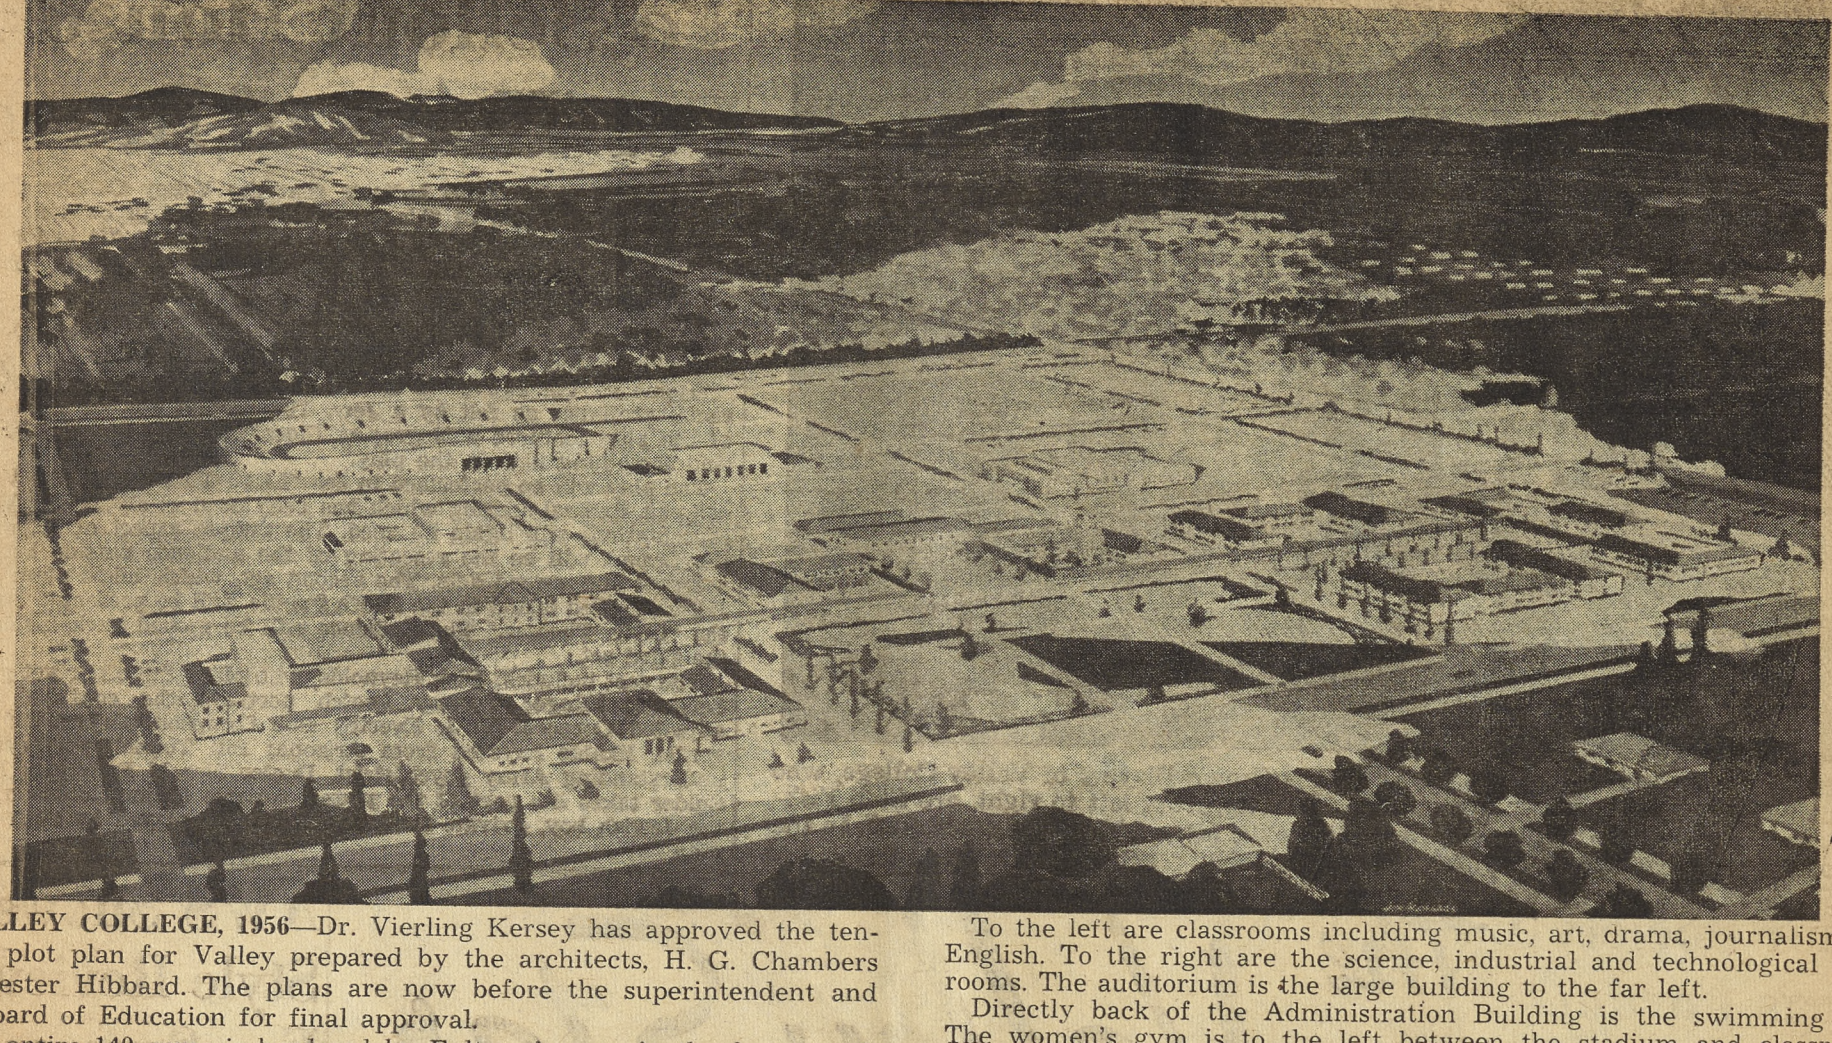
DR. KERSEY APPROVES ARCHITECTS' DRAWINGS



VALLEY COLLEGE, 1956—Dr. Vierling Kersey has approved the tentative plot plan for Valley prepared by the architects, H. G. Chambers and Lester Hibbard. The plans are now before the superintendent and the Board of Education for final approval.

The entire 140 acres is bordered by Fulton Avenue in the foreground, Burbank Boulevard on the right; and Oxnard Boulevard on the left. The building in the center, with the tower, is the Administration Building. Also located in the center is the Union, Student Store and library.

To the left are classrooms including music, art, drama, journalism and English. To the right are the science, industrial and technological classrooms. The auditorium is the large building to the far left.

Directly back of the Administration Building is the swimming pool. The women's gym is to the left between the stadium and classrooms. The women's gym is to the right between the baseball park and science classroom.

Parking space surrounds the college, and lots are placed between the stadium and gymnasium.

Zoo-ology Family Increases 'Josephine,' 'Polly' and 'Tad'

As Allan C. Keller enters the zoo-ological room (18) each day to take care of his "little family's" needs and meet his classes, he is undisturbed by the stale smell of formaldehyde or the glassy stares of dead Dogfish, observing from their bucket.

On his way to the salimander aquarium, Mr. Keller smiles and nod to Josephine, reminding him not to chew his fingernails. "Sally" and "Manda" acknowledge thier fresh fly meat breakfast in a record four gobbles. (Josephine, Valley College's only skeleton in captivity, was so named before extensive study proved her to be male. Only his closest friends are allowed to call him "Joe.")

Pride of the Zoology II class is the experiment with two tadpoles. "Tad," after receiving a daily sprinkling of thyroid in his water has grown twice as much in one week as "Polly," who wasn't fed thyroid. By next Monday young "Tad" expects to be called Mr. Frog.

A field trip to Zuma Beach proved fruitful to the Zoology I class. Among its fabulous collection of marine specimens (acquired that day) are a handsome group of starfish which sunned themselves several afternoons this week in Rm. 18's front yard.

While the mortality rate in the biology department is noticeably high, death to natural causes is practically non-existent.

Appointment Times Available in Booth For Blood Donors

"Hark, all ye would-be blood donors! Appointment time for blood donations is being given today in the booth on campus. The Blood Mobile will be here on Tuesday, April 17, from 12 noon to 4 p.m.," stated Edward Clark, instructor.

The booth will be open today from 10 a.m. to 2 p.m. If it rains, the appointments will be made under the shade pavilion.

Any person over 21 who hasn't pledged to give blood and who wishes to do so may sign up with Mr. Clark, Jim Hamra, student; or at the booth.

Parent consent slips for students under 21 must be in today or they will not be allowed to donate blood.

An Ounce of Participation

Every so often an editorial opinion appears in this space observing Monarch's lack of spirit and denouncing the faults of Valley College's student government. These are regrettable writings to the reader and are equally wearisome to their author.

It is with pride that this piece is created; for it was made possible through the efforts of many students in different fields who, it is hoped, read previous editorials and were inspired by them.

Monarchs well may be proud of several recent happenings that bear witness to the fact that Valley is growing up. The Lettermen Club, in just two weeks time, rallied Valley College to collect money to send the track men to the Modesto Relays. Now, they are considering sending them by plane. Not only was the fund-raising campaign a big success but so were the picture show and dance that paid the bill for Valley's relay entries.

"Home of the Brave," presented as realistically as possible, serves as a challenge to an intelligent student body.

The current series of Faculty Hour programs are an unusual, entertaining means for presenting the best in every department.

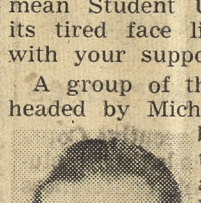
The success of a college, as well as any club or organization, may be measured by the interest and participation in activities given by its members. Valley College may be small in enrollment, but with energetic leaders followed by an alert student body, it is fast growing in its number of successes.—J. Anderson.

The Valley Forge

By Bill Tunnell

Well, at long last, three hips and a hooray, the Stupid—I mean Student Union will have its tired face lifted, BUT only with your support

A group of the local lovelies, headed by Michele Arons, have banded together to change the appearance of Ye Olde Hog-wallow.



Here is the deal. These girls have decided to solicit funds from YOU to buy ashtrays, drapes and/or anything that will help to make it a better place in which to eat and lounge, according to how much money they raise. In other words it's up to you. With your contributions if can go over.

All right, I can hear that joker now, "Where do they get off soliciting funds? Who's their sponsor? And who takes care of the money?"

For general information, it has been passed through Mrs. Royer's office that Mr. Hovey will be in charge of the money, and it's soliciting money for the best cause I can think of.

Very soon you will notice little containers sitting around in front of your big fat face. Don't just look at it. PUT SOMETHING IN THE POT, BOY.

Good, Good

I would like to cite the student body for their fine support of the show-dance sponsored by the track team, the money being used for expenses to the Modesto Relays, but I won't. They might get in their heads they're really rolling, but they can still stand a lot of improvement.

Notice

Today is the deadline for all those wishing to submit a name to the "Name The Annual" contest being conducted here on the campus. The names should be placed in the Editor's Mailbox outside of R. 12. The winner of the contest will receive a free annual.

Coed Group Asks AS Support In Improving Student Union

By Dick Fox

Starting Monday, April 16, a group of Valley's co-eds are going to start collecting money for improvement of the Student Union.

They are hoping to gather enough money to buy ash trays and new drapes for the Union. Everyone will benefit so I should think a small contribution from everyone on the campus would greatly help the looks of the Student Lounge. The girls will carry small boxes for taking the money.

Michele Arons is heading this committee and has been working very hard to put over the drive. The following girls are collecting for the project: Carol Aguilar, Patti Hoffman, Dottie Lusher, Diane Baker, Dorris Schaeffer, Michele Arons, Kathy Fouts, Phyllis Barskey, Diane Serzow, Kathy Moore, Marilyn Morris, Virginia Marsilio, Ann Crippen, Jackie McLoney, Gay Walding, Barbara "Bobbie" Price, June Bennett, Sally Crassweller and Joan Williams.

Every dime will count in improving the looks of the Union. Maybe if the Student Union is better looking, it will be more appreciated. So let's dig deep.

Mrs. F. R. Winkler To Teach English In New Program

Valley College this week welcomed Mrs. Frances R. Winkler, instructor for the new accelerated program. Mrs. Winkler was formerly an instructor at Occidental College. She will teach English I, Health 10 and History 11.

Mrs. Winkler, a native of Brooklyn, New York, has lived in California for 15 years. She has an LI.D. degree and a Master of Arts in English from SC. Mrs. Winkler, who has traveled widely, has ten years of business experience.

Regarding her new job, Mrs. Winkler said, "I do not feel like a stranger here because of your friendly attitude, and also I knew many of the faculty at SC."

Corrine Tiritilli Weds Charles Castiglia In Noon Mass Ceremony

The French Illusion veil previously worn by her sister-in-law and her aunt at their weddings was worn again last Saturday by Miss Corrine Tiritilli as she exchanged marriage vows with Charles Castiglia.

Miss Tiritilli's father, Ernest Tiritilli, gave the bride away in a noon mass double ring ceremony at which Father William Smith officiated.

The bride wore a white marquisette gown which had an insertion of rhinestone ornamented lace on the bodice and skirt. She carried a bouquet of white roses, gardenias and lilies of the valley.

A lavender moire and net frock was worn by the matron of honor, Mrs. Edward Tiritilli, the bride's sister-in-law. The groom's sister and junior bridesmaid, Carole Castiglia, wore a green net frock trimmed with violets. She carried a bouquet of yellow tea roses. The best man was Ronald Tiritilli, the bride's brother.

A garden party reception followed the ceremony with approximately 80 people attending. That night a family dinner was held, after which the newly married couple left for their honeymoon at Laguna Beach.

The new Mrs. Castiglia was a former music student at the University of Illinois for three years.

The groom is an electrical engineering major at Valley College and, upon June graduation, will attend UCLA.

The couple will live in Van Nuys.

Sigma Alpha Phi Sponsors Musical

Sigma Alpha Phi, the men's music club, will present a Musical Review which will be held May 9, 10 and 11. Tryouts are being held Monday, April 16, and Tuesday, April 17, in Rm. 13 at 3 p. m. Rehearsals begin on Wednesday, April 18.

"Anyone interested in trying out is requested to bring a piece of music," stated Don Ingle, president.

The entire review will consist of original music written by Ingle. The orchestra will be, what is termed a "pick-up" orchestra. Members will come from different schools throughout the area.

The musical is being produced and directed by Sigma Alpha Phi members.

Artist Guild Sponsor New Paint Exhibition

"The Artist Guild," the new name for the Art Club, is sponsoring an exhibition to be presented by the art students of Valley College. The tentative date set for the show is the week of May 21.

The club plans to invite the art teachers from San Fernando Valley high schools and the senior art students by special invitation. Tea will be served to these special guests.

The "Artist Guild" will have a special section devoted to its work which will be judged and ribbons awarded. This part will consist of work done by the students throughout the year from both classes.

Art Club to See Museum

A special trip will be taken today by the "Artist Guild," the art club, to visit the Los Angeles Museum and attend a lecture.

Included in the trip will be a picnic lunch which will take place somewhere on the west side of the Fine Arts building.

The lecture will be given by Miss Frances Nugent, and the subject will be painting.

The caravan will leave at noon today and eat at the park. The lecture begins at 2 p.m.

"Anyone who wants to go on this trip is invited to attend," stated Miss Marie Scott, club sponsor. "Membership is open to anyone who has been in or who is now in an art class. The fee is 50 cents, and there will be pins."

Further information may be had by contacting Frank Brault or Arthur Hernandez, club chairmen.

Last Friday, April 6, members of the club attended the Hobby Show held at the Shrine Auditorium.

Paolino Elected Gamma Sponsor

Leonidas Paolino, biology instructor at Valley College, has been chosen by the Gamma class as its sponsor.

Officers of the class are Jim Smith, president; Nick Borsay, vice-president; Romez Garcia, secretary; and Jack Jevne, treasurer.

The Gamma class is devoting itself to helping the Deltas in the first graduation. The class plans to help issue caps and gowns and serve as hosts and hostesses to the guests at the graduation ceremony, or as Smith said, "To make this semester as pleasant as possible for the Deltas."

Smith also said, "It is an honor to give this service to the graduates who are receiving the honors, and in this way we may become acquainted with the procedures of graduation."

Jensen Announces Elledge Engagement

Mr. and Mrs. John Jensen of Van Nuys have announced the engagement of their daughter, Jo Ann Jensen, to Norman Elledge.

As yet no wedding date has been set. Miss Jensen has been a student at Valley College for the past two semesters. She was graduated from Van Nuys High School.

Elledge lives in Reseda and has been a student at Valley for three semesters. He was graduated from Canoga Park High School.

Track Squad Financed by 'Laura' Movie

"Laura," the movie shown by the track team to finance the squad to the Modesto and Fresno Relays, was highly successful, according to Jim Slosson, faculty sponsor.

Jim Smith and Ed Austin sold 94 tickets; in addition Austin sold 80 at the door to lead the squad in the most sales. Bob Bowen and Ed Masry ran second with 74, while Phil Clarke, instructor, ran third with 22 and Carl Peacock was fourth with 17. Almost 360 tickets were sold by the entire squad.

Orel Chaffee acted as projectionist assisted by Phil Diether. Dick Yamashita illed in as disc jockey at the dance following the movie.

"I wish to thank the student body for the fine spirit they displayed and the whole hearted cooperation," said Mr. Slosson. He also said that Howard Woolfan, instructor, will be taken with the team as a guest as a reward for his work in helping with the project.

"Ed Austin was the moving spirit. He worked hard and handled his responsibilities with the utmost efficiency," said Mr. Woolfan.

Cruising the Campus

By Art Brault

As the sun slowly sinks in the West, as the semester drags on, as mid-term grades are due, we sadly take up where we left off last week.

Jackie McLoney hostessed a party at which several gals from this institute attended. Some of them were: Marilyn Morris, Diane Baker, Michele Aronsa, Virginia Marsilio, Phyllis Barskey, Sally Crassweller, Dottie Lusher, Carol Aguilar, Joan Williams, June Kroutil, Joan Gilbert, June Evans and Susan McPherson.

The latest marriage to be is the Dottie Lusher-Dick Carpenter splicing which is scheduled to take place on June 16.

Martin Ladin, fromer student who answered the call to colors (slight pause for fanfare and drum-rolls), returned from Georgia on a 15 day leave. How do these guys get all these leaves?

Cooperate with the advertisers. They expect to profit from the ads, and the only way they can is if you will let them know that you are from Valley.

Look on the sports page for Dee Auto's ad. Nick, who put the ad in the paper, is a student here. All parts to Valley students are wholesale. Need more be said?

Hobart Barnett, consultant for the curriculum division for the Board of Education, conferred with the heads of departments last Tuesday about the curriculum at Valley. If you don't know what curriculum means, you know where you can find out.

Leslee Bowman, former Valley student, is home on five days' leave before reporting to Fort Sam Houston in Texas. She is in the WAC and enlisted last January. Miss Bowman will attend dental assistant's school there.

P.S. Just heard Joyce Morgan is engaged to be married sometime in June.

Muir Spikes Valley; El Camino Meet Today

Long Beach CC and El Camino JC will be the main objectives of Valley Colege's track team this afternon at three, when the Monarchs seek to win their second and third Conference wins of the season at El Camino.

The Vikings of Long Beach will field a strong team as Mel Patton's men have already garnered a win over ELAJC. The Warriors, however, have had only one meet, and it is difficult to tell just how powerful they are.

Last Thursday, April 5, the Monarchs were soundly beaten by a powerful Muir College team, 85-37. Valley was able to take only three first places against the Mustangs. Carl Peacock took second in the 100 yard dash but was given first as the Muir man was disqualified for false starts. Reliable Jim Smith displayed his best race of the season when he won the mile in the fast time of 4:38.6.

Ed Austin tied for a blue ribbon in the high jump with a leap of 5' 10".

Bob Craig of Muir scored 15 points with firsts in the high and low hurdles and pole vault.

Today's meet will be the first on El Camino's new track.

100: 1—Peacock (V); 2—Godfrey (V); 3—Allen (M). No time (Warner of Muir won but was disqualified for false starts).

220: 1—Warner (M); 2—Beynon (M); 3—Godfrey (V). 22.7s.

440: 1—Beynon (M); 2—Hoover (V); 3—Hessler (V). 51.5s.

880: 1—Holmes (M); 2—Santos (M); 3—Massey (V). 2m. 2.8s. (New school record, old mark 2m. 5.2s. by Holmes, March 30.)

MILE: 1—Smith (V); 2—Hagg (M); 3—Holguin (M). 4m. 38.6s.

Monarch Netters Seek Fourth Win Today at SMCC

Coach Ben McFarland's rejuvenated Valley College net squad will be seeking win number four when they battle second place Santa Monica CC today on the Corsair's courts.

Valley copped its second triumph of the year when they awarded the first East LAJC match played last month. The Huskies had used an ineligible man in the match so the Monarch netters were awarded a 1-0 win. They had previously beaten San Diego, on default, 1-0 for their first triumph.

After being blanked on three different occasions, the Valley net squad bounced back for its first legitimate victory of the campaign when they blasted El Camino last Friday, April 6, 9-0. Dave Summers, Rick Bowen, Wallace Whitney, Frank Kresse, Jon Hermann and Dave Nothwang all won in the singles play, with the aforementioned winning in doubles play.

Last Tuesday the Valley netters sustained a 6-3 loss to a revengeful East LA bunch, after the McFarlander's captured the opening three matches.

SPORTS Before Your Eyes

The Southland lost a possible outstanding athlete when Jim Withrow, who had been attending Valley to make up grades for SC eligibility, transferred to Oregon State. The draft was getting too interested in his services.

With all the ballyhoo about Kenny Wolters in the metropolitan papers, something must be said about him here. Wolters, from North Hollywood High, transferred from Occidental. He was just beaten out of an All-Valley place by a hair, since he was out part of the season and was weak from pneumonia. The scribes around LA have reported him being offered three $10,000 offers. Now, with his outstanding play here at Valley, his offers should grow and become more persistent. The scouts like his classy infield play and his hitting ability.

The recent shindig put on by the track and field boys was about the biggest event that has come off around here for many a moon. Everyone realized what a fine thing would come out of it, and the dance and movie received great support. There were almost 300 kids there, and the boys gained nearly $180.

The baseball boys sure have a big week, this week. They play four games. This year's team is following in the footsteps of last year's squad as they have taken a dive since the Citrus Tournament. The Monarch baseballers are at the moment in the very place that the basketball team ended up in. After starting the year off with a bang, Coach E. Y. Johnson's Monarchs have meekly consented to other Metro teams trampling them in their last few outings. Everyone thought that the team was really going to make a name for Valley, as it did in the Citrus Tournament; but when it resumed the Metro grind, it looked like it lost interest, didn't want a league flag. On paper the Monarchs really looked like something, the batting averages proved they had what it takes, but their four blastings from other conference teams stunned backers.

Monarchs Skid with Double Defeat

Coach E. Y. Johnson's Monarchs ran their streak of Metro losses to four in a row last week end when the El Camino Warriors nipped them, 4-3, on Friday afternoon at El Camino, and Long Beach whitewashed them, 3-0, at Reseda Park on Saturday.

The Vikings and the Warriors squeezed by the Monarchs, who were tripped up in two very close games, to drop them from a tie for second spot in the conference. The El Camino team came from behind in the last of the ninth to score a tie-breaking run on a squeeze play to stamp defeat on the Monarchs. Tony Raia limited Valley to five hits, while the Warriors collected nine safeties off John Jacobs, who went all the way for Valley on the mound.

In El Camino's ninth inning, Third Baseman Johnny Mitchell led off with a double, went to third on a fielder's choice and scored in front of Kenny Wolter's relay throw from Jacobs on an attempted squeeze bunt. Johnny Mitchell stood out in the competition with three hits, driving in two runs and scoring two more. Kenny Wolters kept up his brilliant batting average with a double and a single in four trips up.

On the following day, the Monarchs were victims of four-hit, shutout pitching by Long Beach's Buck Taylor. Valley's Brad Browne gave up but six hits and only one earned run but received poor support from the defense. The Vikings scored all their runs in two innings, one in the first and two in the fifth frame, helped considerably by five misplays. The Monarchs threatened in the sixth, stanza when Dean Reeser singled and Terry Morse followed with a double but retired Wolters and Mark Raphael to put the Monarchs back in their cage. Wolter's error was his first of the season.

Johnson Nine Tames ELA; Collides with SMCC Today

Omar Steckel, Coach E. Y. Johnson's veteran hurler, pitched the Monarchs to a 4-3 win over the last place East LA Huskies last Tuesday at Reseda Park.

Valley rallied for two runs in the eighth inning to tie up the game and then pushed over a tally to win in the last of the ninth. TheHuskies got off to a good start in the first inning with a pair of markers when the visitors put together a double, a single and a Monarch error to go ahead. After allowing one more run in the third, Steckel shutout the Huskies for the remaining six frames giving up but three hits.

East LA committed seven errors behind Pitcher Jim Burd, All-Metro moundsman last year. Four Husky errors in the last two innings, in which Valley tied up the game and then won it, softened the Monarch's task. Vito LaGioia scored the tie breaking run, when Burd turned a double play ground ball hit back to him into a fatal wild throw that sent LaGioia scampering home.

Today the Monarchs travel to Santa Monica to meet the Corsairs, who are on top of the conference with a 5 won, 1 lost mark. Valley then plays host to Taft JC tomorrow at Reseda in a practice tiff. The Corsairs jumped into the lead when they took a double bill from San Diego last week.

Although pressed tightly for the first three quarters, the Spanish Club came to life in the fourth quarter and emerged victorious in their fifth intramural contest last Monday against the Lettermen by a score of 33-20. The Spaniards led by only three points in the third quarter which the Lettermen tried futilely to overcome. Dick Saunders paced the Spaniards with 18 points.

In another game scheduled last Monday, the French forfeited to the Radiators.

Next Monday the Lettermen are slated to meet the Music Club and the Spanish Club will face the Radiators. The French will tangle with the Signets on Wednesday.
